

Secrets of Women Who Do Tell: how to leverage the power of your age!

In this keynote, IJ McIntyre invites women on the upside of 45 to:

- acknowledge the **REALITIES** of being women “of a certain age”;
- learn from the **SECRETS** of “older” women who do tell their age; and
- seize the **POSSIBILITIES** that appear to women who are more than what they see in mirror!

What Audience Members Say:

- “Very well presented — both interesting & humorous.” **Vera Goodman**
- “Easy to follow, with a great message & fun personality.” **Edie Mitchell**
- “Very thoughtful and thought provoking at the same time.” **Michele Shay**

About IJ

A lifestyle planning expert for the second half of life, IJ studies, teaches and celebrates the art of living remarkably well, as women age.

IJ is lawyer smart and farm girl friendly. She has a smile that lights up a room and draws people in to learn and laugh. You'll love her unique blend of heart-spun wisdom and real-life research.

IJ delivers keynotes and workshops for professional associations, corporations and women's conferences.

Her upbeat and amusing presentations help the women in her audience stride with confidence into the future and embrace the good fortune, fulfillment and fun of the Queenage™.
